C.No.7375/46.B.1. D/12-12-1946.

Sir,

Sub:- BUDGET ESTIMATE - Elementary Education fund -
Hospet Municipality - 1947 - 48 - submitted.
...o...

I beg to submit herewith the revised estimate for 1946-47 and the budget estimate for 1947 - 48 relating to the Elementary Education Funds of this Municipality with all necessary enclosures, together with a copy of my note to the council dated 28-11-1946 and a copy of the Council's resolution No.375 dated 9-12-1946 approving the same, all in duplicate, with the following remarks : - -

The main features of the revised estimate for 1946 - 47 and budget estimate for 1947 - 48 have been explained in detail in my note dated 28-11-1946 to the Council and I have, therefore, avoided reiteration here and the note may kindly be read as part of this letter.

The budget estimate for 1947-48 is expected to close with a deficit balance of Rs.15531/- . While the ordinary receipts for the revised estimate for 1946 - 47 and budget estimate for 1947-48 remain at Rs.16140/- and Rs.16655/- respectively the ordinary expen - diture has mounted upto Rs.24070/- and Rs.25240/- for the two years respectively. This is mainly due to the payment of dearness - allowance.

The Government in their order No.MS:397 Edn., dated 25-2-46 have been pleased to state that the question of sanctioning a subsidy from Provincial funds to cover the deficit in the Elementary Education budget for 1946 - 47 would be considered next year. The council in its resolution No.375 dated 9-12-1946 has resolved to request the Government to come to the aid of the Municipality by sanctioning the necessary subsidy from Provincial funds to cover the deficit as promised by the Government. I request that the Government may be pleased to consider the request of the Council favourably and pass orders at an early date.

COMMISSIONER'S NOTE DATED 28-11-1946 ON THE REVISED ESTIMATE FOR 1946 - 47 AND BUDGET ESTIMATE FOR 1947 - 48 OF THE ELEMENTARY EDUCATION FUND.

****

The first thing that strikes at the outset after a perusal of the budget estimate for 1947 - 48 of the Elementary Education fund is the large deficit balance with which it is expected to close. The deficit has been growing from year to year. The revised estimate for 1946-47 closes with a minus balance of Rs.4946/- which is increased to Rs.15531/- at the end of 1947-48. This minus balance has acrued despite the fact that no capital improvements or works of any major importance have been proposed. The main cause for the large deficit balance is the payment of dearness allowance to the staff at Government rates, which comes to nearly Rs.8000/- per year.

As per recommendationof the Director of Public Instruction, Madras in his Rec.No.7703-38/46 dated 1-10-1946 , necessary provision has been made in the budget estimate for 1947-48 for the opening of VI Standard in the Municipal Model School. As per recommendation of the Inspectress of Girls' Schools III Circle Bellary, in her L.Dis. No.289 D/46 dated 8-8-46 , provision has been made for an additional teacher in the Muslim Girls' School. In addition, provision for one extra teacher in each of the Telugu school, Hindu Elementary school and Devangapet Elementary school, has been made in view of the increased strength in these schools, in the budget estimate for 1947 - 48. There is a provision of Rs.300/- for furniture and equipment in the revised estimate for 1946 - 47 and another sum of Rs.300/- is provided in the budget estimate for 1947 - 48.

The usual contribution from General funds to Elementary Education funds per year is only Rs.3210/- But the Government in their review on the Elementary Education Budget estimate for 1946-47 as per G.O No.Ms.397 Edn., dated 25-2-46, have ordered that this contribution from General funds should be raised to Rs.3360/-. Accordingly a sum of Rs.3360/- has been provided in the budget estimate for 1947 - 48 also as contribution from General Funds.

In order to meet the growing deficit in the Elementary Education budget, increase in the rate of Elementary Education Tax is invariably being proposed by the Commissioners almost every year, but year after year the Council has been turning down the proposal on the ground that the existing aggregate rate of tax in the Municipality is too high to permit of any further increase. As the position of the General Funds also is very bad, I am separately suggesting to the Council in my proposals on the General Fund budget estimate for - 1947 - 48 , increase in the existing rate of property tax for general purposes and fresh taxation for the proposed water supply and drainage scheme. I have not, therefore, touched the Education Tax this time.

Further the Government in their G.O.No.MS:397 Edn., dated 25th February 1946 have been pleased to state that the question of sanctioning a subsidy from Provincial funds to cover the deficit in the Elementary Education budget for 1946 - 47 would be considered next year. Unless this is done there seems to be no possibility of balancing the Budget. The Council is, therefore, advised to make a special request to the Government to meet the entire deficit both for 1946 - 47 and 1947 - 48 from Provincial Funds.

COMMISSIONER'S NOTE DATED 28-11-1946 ON THE REVISED ESTIMATE FOR 1946 - 47 AND BUDGET ESTIMATE FOR 1947 - 48 OF THE ELEMENTARY EDUCATION FUND.

****

The first thing that strikes at the outset after a perusal of the budget estimate for 1947 - 48 of the Elementary Education Fund is the large deficit balance with which it is expected to close. The deficit has been growing from year to year. The revised estimate for 1946-47 closes with a minus balance of Rs.9946/- which is increased to Rs.15531/- at the end of 1947-48. This minus balance has accrued despite the fact that no capital improvements or works of any major importance have been proposed. The main cause for the large deficit balance is the payment of dearness allowance to the staff at Government rates, which comes to nearly Rs.8000/- per year.

As per recommendationof the Director of Public Instruction, Madras in his Roc.No.7703-38/46 dated 1-10-1946 , necessary provision has been made in the budget estimate for 1947-48 for the opening of VI Standard in the Municipal Model School. In addition, provision for one extra teacher in each of the Telugu school, Hindu Elementary school and Devangapet Elementary school, has been made in view of the increased strength in these schools, in the budget estimate for 1947 - 48. There is a provision of Rs.300/- for furniture and equipment in the revised estimate for 1946 - 47 and another sum of Rs.300/- is provided in the budget estimate for 1947 - 48.

B.E. – 1947-48 – E.E. fund – Nl. dl. Hospet

No. 949C-1/47 From the D.P.I., R.O.P. No 46-B3/46-47, dy 23.12.46.

The R.E. for 1946-47 and the B.E. for 1947-48 of the E.E. fund of the Nl. dl. Hospet, call for the following remarks.

2. R.E. for 1946-47. (i) The dl. was asked in Memo: 59584 C-1/46-3 Edn, dy 6.1.47, to adjust a sum of Rs. 6,408 from the Arrear Toll Compensation Grant. No credit has been taken under this head. The dl. may be asked to adjust a sum of Rs 6,408 from the A.T.C. grant.

(ii) The dl. had paid the arrears of dearness allowance to the E.E. staff.

(iii) Revised with reference to the suggestion in para 2(i) above, the R.E. is expected to close with a deficit of Rs. 538. L.A. may be requested to state whether this deficit can be met from the Arrear Toll Compensation Grant or by adjustment from the grant of an additional contribution from the General funds. No subsidy can be made from the Provincial funds to meet this deficit as it is caused by the payment of the arrears of d.a.

3. B.E. for 1947-48. (i) The credit taken for contribution from the General funds is Rs. 3,360 as against Rs. 3,210 in the sanctioned budget for 1942-43 L.A. may see.

(ii) Revised with reference to the suggestion above and if the deficit in the R.E. is avoided by an additional contribution from the General funds the B.E. for 1947-48 will close with a deficit of Rs. 8,587.

(iii) L.A. may be requested to state whether the deficit referred to in para 3(ii) above can be met by an additional contribution from the General funds or by an adjustment from the A.T.C. grant. If any portion of the deficit cannot be

net by an additional contribution from the General
nds, a subsidy will have to be paid from the
rincial funds as there is no scope for increasing
e rate of the Education Tax. The anticipated
ficit in the E.E. fund (Rs. 8,587) exceeds the
vision made for the payment of dearness allowance
Rs. 8,120). The subsidy payable to cover the
ficit should not exceed the provision made for
payment of d.a. If the net deficit exceeds
provision made for the purpose, the C. may be
ked to defer the proposal for the appointment
additional teachers. This question may be
amined further after L.A. offer their remarks
the question of additional contribution from the
neral funds.

The B.E. for 1947-48 of the E.E. fund of the Md. Hospet, is expected to close with a deficit of Rs. 8,587. The L.A. Deptt have stated that the fd. fund account is expected to close with a deficit at the end of 1947-48 even after adjusting the entire arrear Toll Compensation grant that will be sanctioned to the dt. next year. A Subsidy will have to be paid to the dt., as there is no scope for increasing the rate of the Education tax.

(i) in p1 ante

L.A note

p2 n (t)

The provision made for the payment of dearness allowance is Rs 8,120. The subsidy payable to cover the deficit should not exceed the provision made for payment of d.a. The dt may therefore be asked to defer the proposals for the appointment of additional teachers. If this is done the provision made under the head may be reduced by a sum of Rs 1,000. The deficit will be reduced to Rs. 7,587 and will be less than the provision made for the payment of d.a.
